

GREAT CLEARANCE SALE

of

Men's, Boys' and Children's Clothing and Furnishings!

BEGINNING SATURDAY, JANUARY 18, 1908, AT

The Union Clothing Co's Big "One-Price" Clothing Store
Main Street, Barre, Vermont.

A GREAT PRESENTATION OF SPECIAL VALUES

Off With the Old! On With the New!

Our Annual January Sale is a demonstration of our belief in making merchandise move in season. Some lines that remain practically intact, must share the fate of broken lots and sizes in this January Clearance. Goods that have been too high-class for the majority of buyers, must move back into the ranks of the lower priced. Excess stock must diminish, and our method of bringing this result about is the ready knife that cuts deep into prices. In the list of special items below you will recognize items which touched the high places early in the season.

If you value a Bargain, we have them in profusion to please your sense of economy, and at the same time your ideas of worth. Low prices here do not mean cheap goods—not a bit of it.

We ask a reasonable profit during the busy season, but when we are ready to close out as we are doing now, our customers profit by actual price reductions necessitated by various causes. It is hardly necessary to dwell on the quality and workmanship which characterize our lines of Clothing and Furnishings; every garment, every article speaks for itself. Their fitting qualities are unexcelled. The price reductions we now offer are of prime importance to everyone. It is not prices alone, but the values that give importance to this sale! We quote below a number of items, to give an adequate idea of the splendid assortment still remaining.

Remember This Great Sale Begins Saturday, Jan. 18, 1908

All considerations vanish before the urgent necessity of Stock Clearance. Our policy, followed for years, of making a complete sweep of all Merchandise in Mid-Season has enabled us to keep an exceptionally "clean" stock, with practically no "hold-overs." There is no profit in Out-of-date goods, and the Dealer who carries one season's styles into another does himself and his customers an injustice—since he must sell them to someone—sometime. We prefer to make our concessions at a time when our styles are up to date and seasonable, and we now offer for the consideration of the late buyers a range of stock that is exceptional in character and most attractive in price. Our Price Reductions can be seen in every department of the store! REMEMBER—We are not in the business of forever making sales and fooling people. We have only our Mid-Season Clearance Sale, which is a Genuine Bonafide Sale. Every article will be found just as represented or money cheerfully refunded. We have been here a good many years and hope to be here a great many more.
